RE: July Quarterly Amended Report

The Committee to Elect Alan Grayson is amending the 2014 July Quarterly Report due to a recently discovered increase in income of \$21,400.

This increase is due to an error from the Committees mail house. The original report sent by the company did not reflect the total number of contributions actually received during the July Quarterly reporting period. This discrepancy makes up less than 1/2 of 1% of the committees contributions received during the reporting period. The filed amended report includes this income and accurately reflects the income and corrected ending cash balance of the Committee.

New procedures have been put in place with the mail house to ensure that this error does not occur in the future.

If there are any questions please feel free to contact the Committee.

Sincerely

Carla Coleman
Treasurer
